OVERALL COMMENT: Sam has strong content knowledge and is wonderful to work with as a student. He is extremely polite and respectful. He did very well in our content PLC discussing the lessons and ideas we were exploring. He didn't have an opportunity to teach as much as I would have liked, due to the block schedule and the days and times he could attend. He needs more experience in classroom management and lesson planning to be a stronger teacher. I believe with more experience in student teaching he will master these skills for his level as a teacher. His passion and care for kids is obvious, he did very well helping students be successful in one on one situations. Best of Luck Sam!
